

Idaho Pest Management Association (IPMA) of Idaho is serving all lawn, pest, tree, and shrub companies that benefit man's environment by controlling insects, plant diseases, weeds, and rodents in Idaho.

IPMA of Idaho Scholarship Application

The IPMA Scholarship was established in 2001. One or more \$500.00 scholarship(s) are awarded each year; however the Idaho Pest Management Association of Idaho is under no obligation to grant the awards if the selection committee determines there are no suitable applicants. The scholarships will be given directly to the recipient. Applications are due by **November 10th** to the IPMA office and the winning recipient(s) will be awarded at the annual conference on December 7th. Through this scholarship, it is the hope of IPMA members to help enable the youth of today realize their dreams of tomorrow.

Eligibility Requirements: (ONE of the following must be met.)

- A) Applicant must be a son or daughter of a current IPMA member who has been a member for at least one year. Applicant must be enrolled and studying any college level education field.
- B) Applicant must be currently employed in the Lawn Care, Pest Control or Grounds Management Industries and a part-time student enrolled in an accredited college level Pest Control, Lawn Care or related industry program.
- C) Applicant must be enrolled as a full-time student in an accredited college level Pest Control, Lawn Care or related industry program.

Required Documentation: The following documents should be enclosed with this application before returning:

- Reference letter from last Lawn Care, Pest Control or Associated Industry Employer.
- Two letters of recommendation:
 - one from a community member evaluating you as a citizen,
 - and the other from a professor or teacher.
- School Transcript
- A one-page typed essay stating the benefits of the Lawn Care or Pest Control Industries
