IPMA

IDAHO PEST MANAGEMENT ASSOCIATION
(formerly ECA of Idaho)

P.O. Box 8841, Boise, ID 83707
208-419-8118 • www.idpma.org

Thursday, December 7, 2023

7:00-8:30am

Registration

8:30-9:30am

Pesticide Label Language: The Label is the Law. Sometimes... | Westy Pickup, Idaho Department of Agriculture

Westy will go over important information contained in the Pesticide Product Label and how you should use it. It is extremely important for users to read and understand all aspects of the label including use, safety, and precautions.

9:30-10:30am

Identification and Control of Stinging and Biting Pests | Jen Browning, BASF

Proper Identification of stinging and biting pests is extremely important when considering the various control strategies for applicators. Jen will identify these common pests, their lifestyles, and biology. Knowledge of these factors are essential when deciding on best control.

10:30-10:45am

Break with Exhibitors

10:45-11:45am

The Idaho Aquatic Invasive Species Management Program | Nic Zurfluh, Idaho Department of Agriculture

The Idaho State Department of Agriculture monitors the introduction, existence, and movement of Invasive Species into Idaho and neighboring states. Part of the program includes public awareness, damage identification, and best control methods in their management. Nic will discuss Quagga Mussels and other aquatic invasives and their significance on our ecosystems.

11:45-1:00pm

Lunch (on your own)

1:00-2:00pm

New EPA Requirements Certification and Training and PRIA Bilingual Labels | Bethany Plewe, EPA Region 10

The new EPA Certification and Training requirements for state licensed pesticide applicators are in effect now. Bethany will identify key changes that applicators need to know about and comply with. Bethany will also speak about new Bilingual label requirements that will begin implementation by 2025.

2:00-3:00pm

Biology and Control of Clover Mites | Jen Browning, BASF

Clover Mites have become a difficult pest to deal with for indoor and outdoor pest control providers. Identifying the associated damage, and understandings of the lifestyles, biology and characteristics of this pest are keys to best control strategies.

3:00-3:15pm

Break with Exhibitors

3:15-4:15pm

Complying with Your Applicator License Requirements and Common Violations | Sherman Takatori, Idaho Department of Agriculture

Having a Pesticide Applicator License is a privilege and there are requirements that license holders need to abide by. Knowing the EPA and State requirements are essential to providing safe and sound applications. Sherm will go over some of the most important requirements and discuss common violations that occur.

4:15-5:15pm

Pollinator Protection | Connor Cox, University of Idaho Extension

Pollinators are extremely important in food production in the world. Reductions in Pollinator populations would have catastrophic effects on Agriculture. Connor will discuss the many causes of Pollinator concerns and ways applicators can help protect Pollinators.

5:15pm

Conference Wrap-up and Prize Give-Aways

IPMA Education Day Overview:

Want to earn recertification points in a LIVE session this year? The Idaho Pest Management Association (IPMA) has the answer!

The IPMA will have a one-day recertification education day at the Canyon Crest Events Center in Twin Falls, Idaho on December 7, 2023. The IPMA (formerly the ECA of Idaho) is the State Association representing indoor and outdoor Urban Pesticide Applicators in Idaho for 42 years. Speakers will present many informative topics at sessions designed specifically for pesticide applicators.

Exhibitors will be on hand to answer questions about their products and show you what's new in the industry. A grand prize give-away will take place at the end of the day.

Don't miss this opportunity to attend seminars about the latest technologies and pest control strategies.

Pre-registration is highly advised as it will save you money. Just mail or email in the registration application in this brochure today, or use the secure online registration.

Directions to Canyon Crest Events Center:

From I-84 take the Twin Falls Exit (Hwy 93) south into Twin Falls. Just past the mall, turn right on Pole Line Road and right onto Canyon Crest Drive. The Events Center is toward the north end of the building.
330 N. Canyon Crest Drive.

Seven (7) Idaho Pesticide Recertification Credits Requested for Education Day in Twin Falls

Oregon, Utah, Washington, and Nevada pesticide credits also available.

International Society of Arboriculture (ISA) CEU's also requested.

Exhibitors will be on site to answer your questions!

Why should you join the IPMA?

Products and services offered by IPMA for it's members:

- Free company listing on the IPMA website: www.idpma.org
- Discounted registration costs for educational events
- Up-to-date industry information
- Recertification sessions
- Voice in legislative issues
- Opportunities to network and exchange information
